

EXHIBIT U – SCI-HUB.ORG REDIRECTION TO PROXIED SCIENTEDIRECT PAGE

The image consists of two screenshots from an Internet Explorer browser window.

The top screenshot shows the Sci-Hub website at <http://sci-hub.org/>. The page features the Sci-Hub logo, a search bar with the text "An evaluation of replacing fish meal with fermented soybean meal in the", and a search button. Below the search bar, there are social media links for @Sci_Hub on Twitter, a link to "как тут скачивать" (how to download here), a link to "наше сообщество" (our community), and a link to "сказать спасибо" (say thank you). A yellow box on the right side of the page contains the text "просьба не брать журналы и книги целиком" (request not to take journals and books whole).

The bottom screenshot shows a Google Scholar search result for the article "An evaluation of replacing fish meal with fermented soybean meal in the diet of Macrobrachium nipponense: Growth, nonspecific immunity, and resistance to ...". The search bar contains the text "An evaluation of replacing fish meal with fermented soybean meal in the diet of Ma". The search results show the article title, authors (Z Ding, Y Zhang, J Ye, Z Du, Y Kong), and the journal (Fish & shellfish immunology, 2015 - Elsevier). The search results also show the article's abstract and a link to the full text. The search bar at the bottom of the page contains the URL <http://scholar.google.com/scholar?q=An%20evaluation%20of%20replacing%20fish%20meal%20with%20fermented%20soybean%20meal%20in%20the%20diet%20of%20Macrobrachium%20nipponense>.
